Commissioner for Patents

Claims 1-2, 11, 13, 17-20, and 22-46 are pending in the application.

Applicants' amendment to the claims filed October 03, 2003, is acknowledged. This listing of the claims replaces all previous listings and versions of the claims.

The timely submission filed on October 03, 2003 is not fully responsive to the prior Office action because applicants failed to elect a single invention selected from Groups ff)-(jjj) as required in item 5 of the Office action mailed September 04, 2003. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
